Welcome to our lesson facility, we have been serving the Foothills for 23 years. Our professional teachers make their living teaching music, and ask that you follow their policies without exception. The teacher commits to holding an agreed time slot for you, it is your commitment to show up for all scheduled lessons and pay lesson tuition when due. You are paying for a time slot, lessons will be given provided you attend as agreed. All teachers are independent contractors and do not work for Wenzel Music Company, LLC. Each teacher reserves the right to charge their own tuition rates and have their own lesson policies. Teachers must be paid directly by cash or check payable to them. Wenzel Music does not take credit or debit cards for any lesson tuitions.

Wenzel Music Company, LLC has no control over teachers policies, teaching practices or tuition disputes. Wenzel Music Company, LLC is not responsible for any equipment damage or loss of student items. Wenzel Music Company, LLC takes no responsibility for students inside or outside of the store. Please limit dropping off and picking up students to 5 minutes before and after lessons, we can't watch them. We recommend parents accompany students to the waiting area and wait with them until the teacher takes them into lessons. You should then be at the door when the students comes out of lessons.

Enrollment Fee: An Enrollment Fee of \$20 per student payable to Wenzel Music is charged for all new and returning students.
